Science: ladybug, grasshopper, beetle, fly, bee, rolling pill bugs, butterfly

Calendar Events

May 24th: Sports Day

Note to Mum and Dad:

Dear Parents,

As a reminder to parents, please check your child's folder every day except for Art days. There should be homework in your child's folder. Since we strive to give time for your child to finish the worksheets in class, if they aren't finished their work, it is because they were not able to finish it in class. Please check to see that their work is finished. If not, please work with your child that night. Homework should be brought back to school, completed, the next day. Of course, Spelling worksheets are to be handed back on testing day so your child can do spelling practice a little at a time to help them remember the words.

Sincerely,
